Gee man I'm all tired out from writing so much in
 this yearbook. I didn't want to write the same old
 cause I thought that would be real generic and
 very tacky and immature! - & you know how mature
 I am! & kinda in a state of depression 'cause
 I got my very first deficiency of all time from Dot & H
 like! and I think back on all the great times we've had
 together & it cheers me up! ... 7th grade with guy
 Just a letterman what a nerd! A.C.I.T.S. that year
 when Am the senior was there & we threw M.M.S
 at him - and Dr. Z laughed!! ... soccer games ...
 guy soccer games and especially basketball. They're the
 best. We'll be the Regit cheerleader buddies next year
 okay?? walking over to Surango with Wendy
 hope we didn't influence you too much. Christmas
 dance - that was fun, we all looked so sexy! But you
 must admit my date was the most mature! Don't for listening
 to all my problems & adventures is my family as well
 as social life, & I've had been really exciting this
 year. I pay attention so much! A.C.I.T.S. this year with
 Devin - on he was so cool - I'm glad I was saved from
 him!! You must admit that was a findance & got to
 dance with all these sexy black men - wooooo!
 You've always been there for me to talk to and unload
 on - if you ever have any problems you know you
 can talk to me about them - I'm glad we've
 remained close this year. Sorry for listening to me
 talk about DOEKO & for sharing a common
 dislike for C.D.B. and T.P.M. I enjoy very
 much making fun of them at lunch. It makes everything

gradual better. Uh oh. Big Daddy's home cause
trouble. These things we had with you and Eric the
way you want to and don't want to. John Swigg's
party. Yucca! These girls. It's you and me being to
smoke cigarettes - maybe then we'll be more socially
accepted. Thank for staying with me I'm glad you
had a good time. I hope we have fun this weekend -
Thank for everything you've done for me - you've molded
me into a bigger & better person - Please tell me if
you will! Whenever I'm being stupid - sometimes
I get on attitude. I must admit (yes we only
said that 3 times now!) that you are a good drinker
and excellent partner - I trust you - I just want to
tease you about New Year's when you stick your foot
in my sister's toilet - remember the wild ACC
New Year's party & how much of a blast Sid is.
I could've done that alone! - Now I've been a dick
about the DICKS. I should have done better -
Thank for helping me out - I'm glad I listened to
you. Maybe you & me next year we can become a
member of the Space Precision Corps. Okay??
MOVIES - Let's try not to get kicked out & I'm glad we
now share the like for McDonald's my favorite place is
the whole world! Yummy! I would love to have 1 million
things to write and I love to add them later. So
leave me some space. Once again thank for being
my friend and being there for me to talk to
your friendship is very important to me & I love
you always Ruthless

Spunky!

Well do I begin babe! It's been
a great year! I still can't believe
it's over! I'm really glad I came
to Walsh and got the chance to
become awesome friends with
you! You made my change
of schools easy, hilarious,
Well do I begin? Well that's
all 1st there was BRO. Kevin... Mrs.
Hindeshot, Mr. Stangel, Hairlip & Corky ^(the old mug)
then there was GOBBLER, BONGA, LANDO
CHINKO, FAKER AND all the others we
made fun of. (don't begin to name
them! Ha!) my tennis practices,
New Years, A.C. I.T.'s (Paul!) (Brad!) + (Eric)
my house, Wisp, Hidden Valley,
X-mas Dance, swatches, potatoes
candy, W.H.O., the mall & terrific
movies! I could go on forever!
and there is just one half a year!
It's been great! I know we'll
become even better friends
over the next 3 years. This summer
will be great! Will party hardy
duke! And SPUNKY you can borrow my
pants any time ya want! (Ha!) Well
this year's been great thanx 2 your
friendship! Good luck with everything
See ya Afro head! She's dead! Well (Eric) ^{Ken}

As the thermometer climbed to unreasonable heights, and the last few days of summer vacation flew by, the students of B.W. focused on the coming school year and began their work toward a great fall season of sports. In the early hours of the day, the band members pulled out their musical instruments and started perfecting their half-time show. The soccer players did their laps and drills, working for the fantastic season they were to achieve. New cheers were practiced by the spirit-filled cheerleaders as they were joined by the first-ever male cheerleader at B.W., Rommel Gonzaga. All the football gear was gotten out and donned by our football players, who had their sights set on a season to make their classmates proud. All those who were involved in the preparation for our winning fall season worked long hours to preserve the Walsh tradition of spirit and athletic excellence.

US UPSIDE - DOWN SN

"Helping Out" In Hands Across America.

What was the one thing we all were thinking of when the first few sun rays hit us? Summer, of course. We couldn't wait to forget about all of our "academic" problems and on to the bigger and more important problems of summer. Yes, we couldn't wait to hit the beaches whether it was Ocean City or simply Rocky Gap. Walsh students seemed to have fun wherever they went.

One important element of summer we can't forget about was music. We could never go anywhere without it. Our music ranged from Ratt to Madonna to the Cars. Although, we all might have different tastes, we all agree that summer is one time for turning our lives upside-down.

A PORTRAIT OF

THE CLASS OF '87

We have come to the end of our Senior year. Through these four years, we have united as a class. We came here full of ideas, hopes, and expectations, and we leave now with memories, experiences, and new dreams.

When we came here as Freshmen, we were a blank canvas. Our teachers, friends and families helped to guide the brush. The palette was the school where we began to mix the colors. The people we knew became the splatters of paint on the palette. Through the past four years we have undergone many trials. Some of them were successes and others, failures. We have blended colors, separated, mixed and formed lines through our experiences. Lines have been drawn on our class canvas, lines which we started as Freshmen. These lines have taken shape and formed a picture during our years at Bishop Walsh. Now, as Seniors, the painting is complete. We are the masterpiece of 1987.

Sr. Alvita joins our faculty

This year, eight people joined the faculty of Bishop Walsh, including Brother James Kirkpatrick, F.S.C., the new principal. The new staff members have come from as far away as Philadelphia, and as nearby as Saint John Neuman and Fort Hill High School. The diversity of the Bishop Walsh staff has been instrumental in the classroom, as well as in activities.

Freshmen

Line up.

This year's freshmen class is the first class that contains Bishop Walsh Middle School graduates, which make up slightly less than half of the Class of '90. The remainder of the class is made up of students from various schools in this area, both public and parochial. The adjustment from Middle School to High School has not been too difficult for the Class of '90, and the freshmen have showed their spirit at the pep rallies.

HOMECOMING

You did this on purpose, didn't you?

As Homecoming '86 drew near, an enthusiastic buzz was felt throughout Bishop Walsh. The week was spent preparing for the big game by decorating the halls, having different spirit dress-up days, and finally participating in the pep rally. Each class was given a section of the school to decorate according to their class theme. The seniors used "The Beach" as a theme for the lobby, the juniors selected "Candyland" as their theme for the second floor, the sophomores chose the theme "Back In Time" for the hall by the cafeteria, and the freshmen picked the theme "The Wizard of Walsh" for the first floor. Each day of the week was a new and interesting experience as the students dressed up according to various themes such as Beach Day, Mix and Match Day, Jersey Day, Punk Day, and Class Color Day. The true school spirit of Bishop Walsh was shown at the pep rally where the senior class won first place for the theme competition and the senior football players were presented with the spirit stick.

Although the rain dampened the plans for the annual Homecoming Parade and Friday night's game, both were compensated for by having an exclusive Bishop Walsh mini-parade through the halls of school where Brother Stephen served as parade marshal and by rescheduling the game for Monday night.

THAT WAS THEN...

Bishop Walsh High School is entering its twenty-first year of existence. In these twenty-one years, our school has experienced many changes. Yet in most ways Bishop Walsh has remained very much the same.

The students of Bishop Walsh have changed somewhat in appearance. They have been a part of the many fads and fashions that come and go. But all the students and alumni of Bishop Walsh share many things in common. They know what it means to have Bishop Walsh as the center for their high school learning, fun, and friends.

Many teachers are and have been a part of the faculty at Bishop Walsh. Each teacher is different but all have been dedicated to teaching and preparing the students for the future. The administration at Bishop Walsh has changed several times. Just this year Brother James Kirkpatrick took over as our new principal. He and the administrators before him have been dedicated to making Bishop Walsh an even better school.

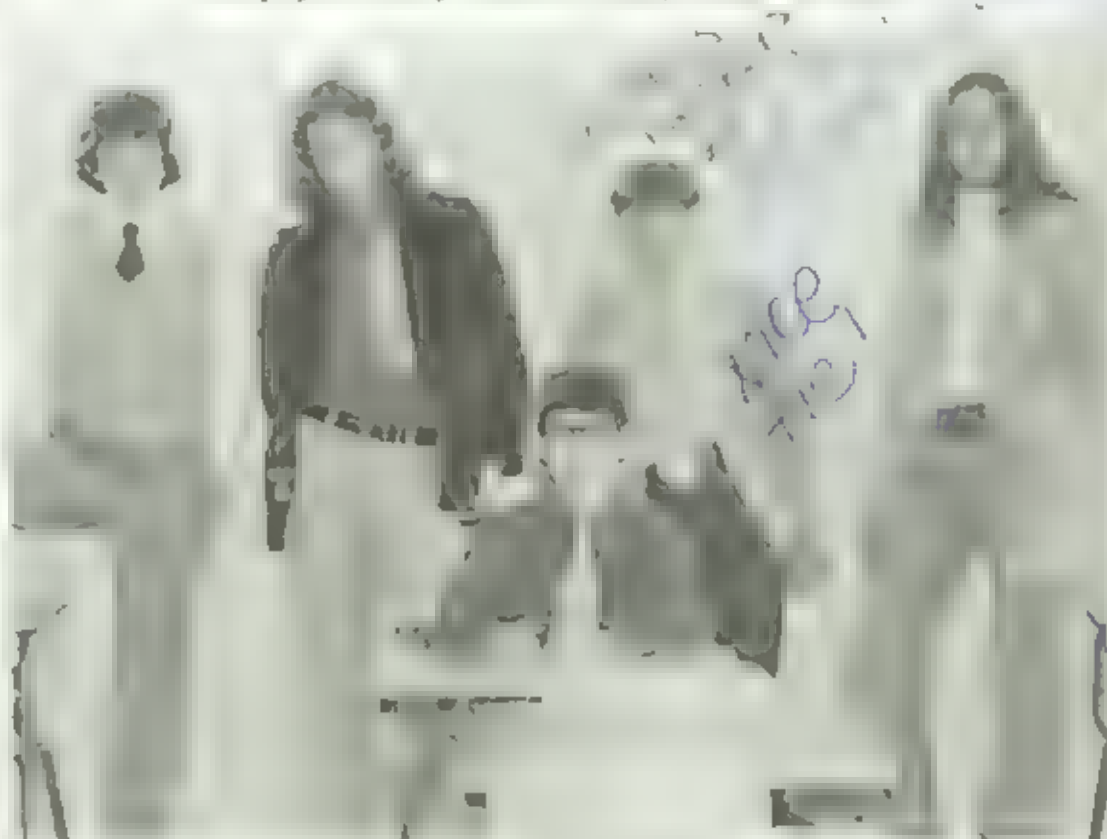

In these twenty-one years, Bishop Walsh has indeed seen changes. Yet its goal remains the same - to provide quality education for all its students.

Can you pick out at least two teachers who had considerably more hair than they do now?

Every girl's crazy about a sharp dressed man!

SENIORS

Senior year- we've reached the end,
Our high school years are gone.
It's time to say goodbye to friends,
It's time to carry on.

Many decisions have to be made-
Our lives have just begun.
There's so much to do in such little time,
But there's always room for fun.

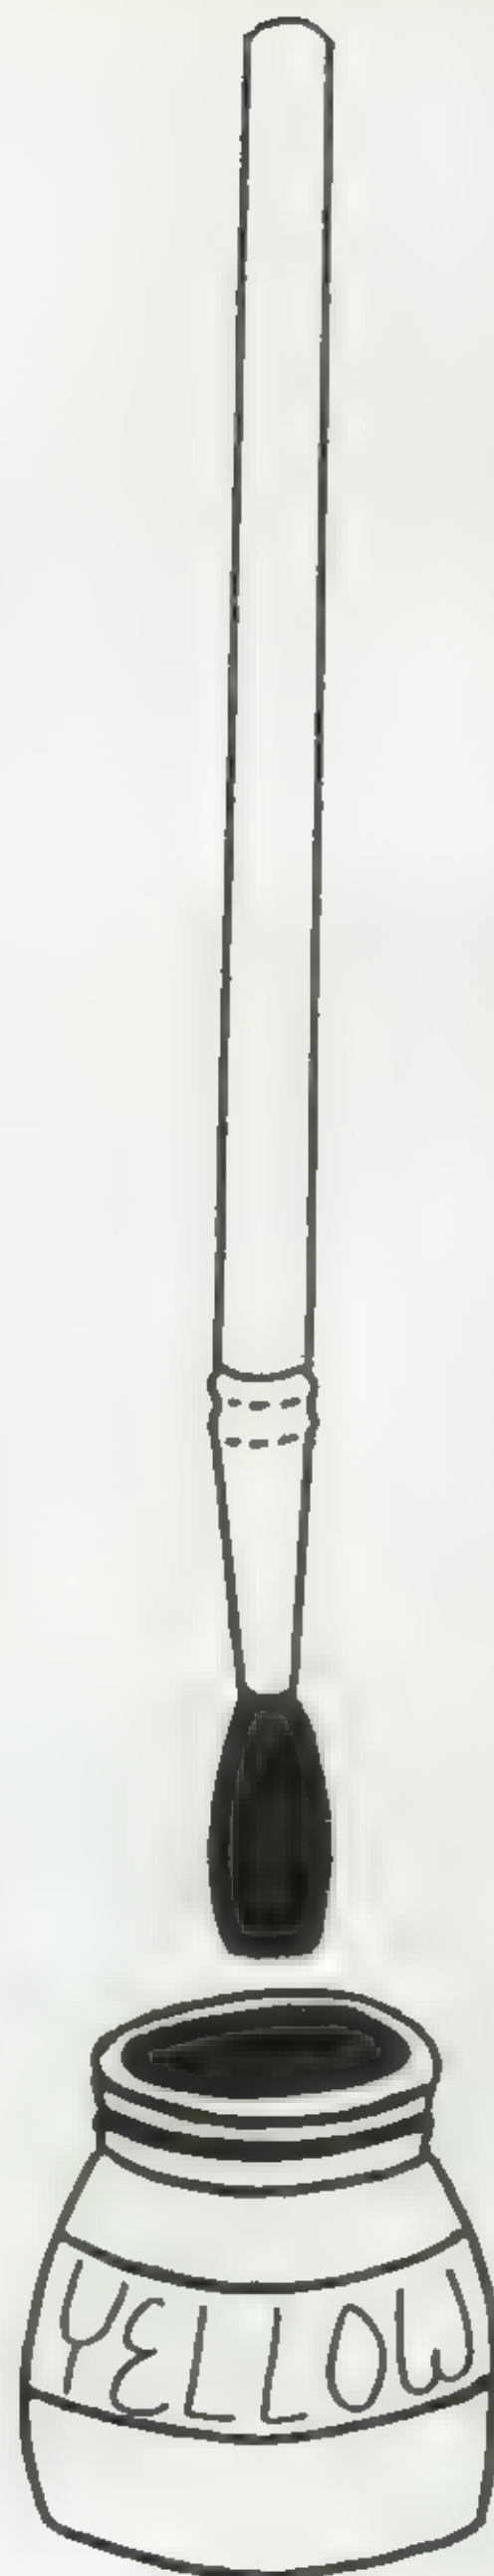

Senior spirit's as good as gold-
It's always shining through.
Going to games-cheering on teams,
Was always the thing to do.

Crusin', looking for parties, eating
Two-fers, or even hitting the dance.
Trying hard to squeeze everything in ...
Even a little romance.

Over the years, we've tightened our bonds,
We've always found friends near.
Sharing our biggest hopes and dreams,
And even our greatest fears.

The future lies ahead-
With many a possibility.
We'll all go our seperate ways,
But the class of '87 we'll always be.

Our Class Of 1987

Brenda and Amy were little angels.

Dawn Miller hung out with the Gillums.

Amy had a Raggedy Ann birthday.

Michael, John, and Joesie were in kindergarten.

the 6th graders got rowdy.

... It was party time for the St. Pete's gals.

Remembers When . . .

Ah, those childhood memories- when birthday parties still meant cake and ice cream and Christmas presents were still a surprise. When our mothers' favorite clothing material was polyester and favorite color was plaid- the bigger, the better! When getting a drink meant joining Dad for a rootbeer or Mom for a hot chocolate. When "hagin' out" meant suspended upside down from the nearest backyard sandbox.

If any of these recollections strike a nerve, either you have been spending too much time with the middle-schoolers or else you've been there yourself. The Class of '87 has made it through, each member holding special memories. We will always be together because we always were together.

DIANE '87

Trevor and Vanessa were tots.

Ruth, Fred, and Hope were the same height

Denny's Mom still dressed him

the boys from St. Pat's were inseparable.

The faculty at Bishop Walsh helps us to paint our masterpieces. The teachers allow us to fill in the details. They help us make the painting finer through the knowledge they give us. Various techniques which we employ in the strokes of the brush are taught to us by our faculty members.

Through their dedication and concern, our faculty give us encouragement. We need their support to help the paints to blend. Without the time the faculty members put in as moderators, our painting would become dull and uninteresting. Through their moderating and support of activities, we are allowed to expand the horizon of our painting. Our painting would not be the masterpiece it is without the energy, effort, time, and patience of our teachers.

The various clubs at Bishop Walsh contribute greatly to the lives of all our students. Few students are able to squeak through their years here without finding some school organizations that interest them. Some clubs are electives, such as the Student Council, while others, such as the Pep Club, would be willing to take in the whole school as members.

Somehow, students are able to balance their time between their algebra problems, sports practices, and extracurricular activities. Students always appreciate the many club activities because they provide a release for their energy, and sometimes for their frustrations. Walsh students are proud to say that their student body is one of the most involved around. Each individual member of the Walsh family helps paint a great picture of the Spartan spirit they possess.

Bishop Walsh Pep Club

Darah - v. Pres. !

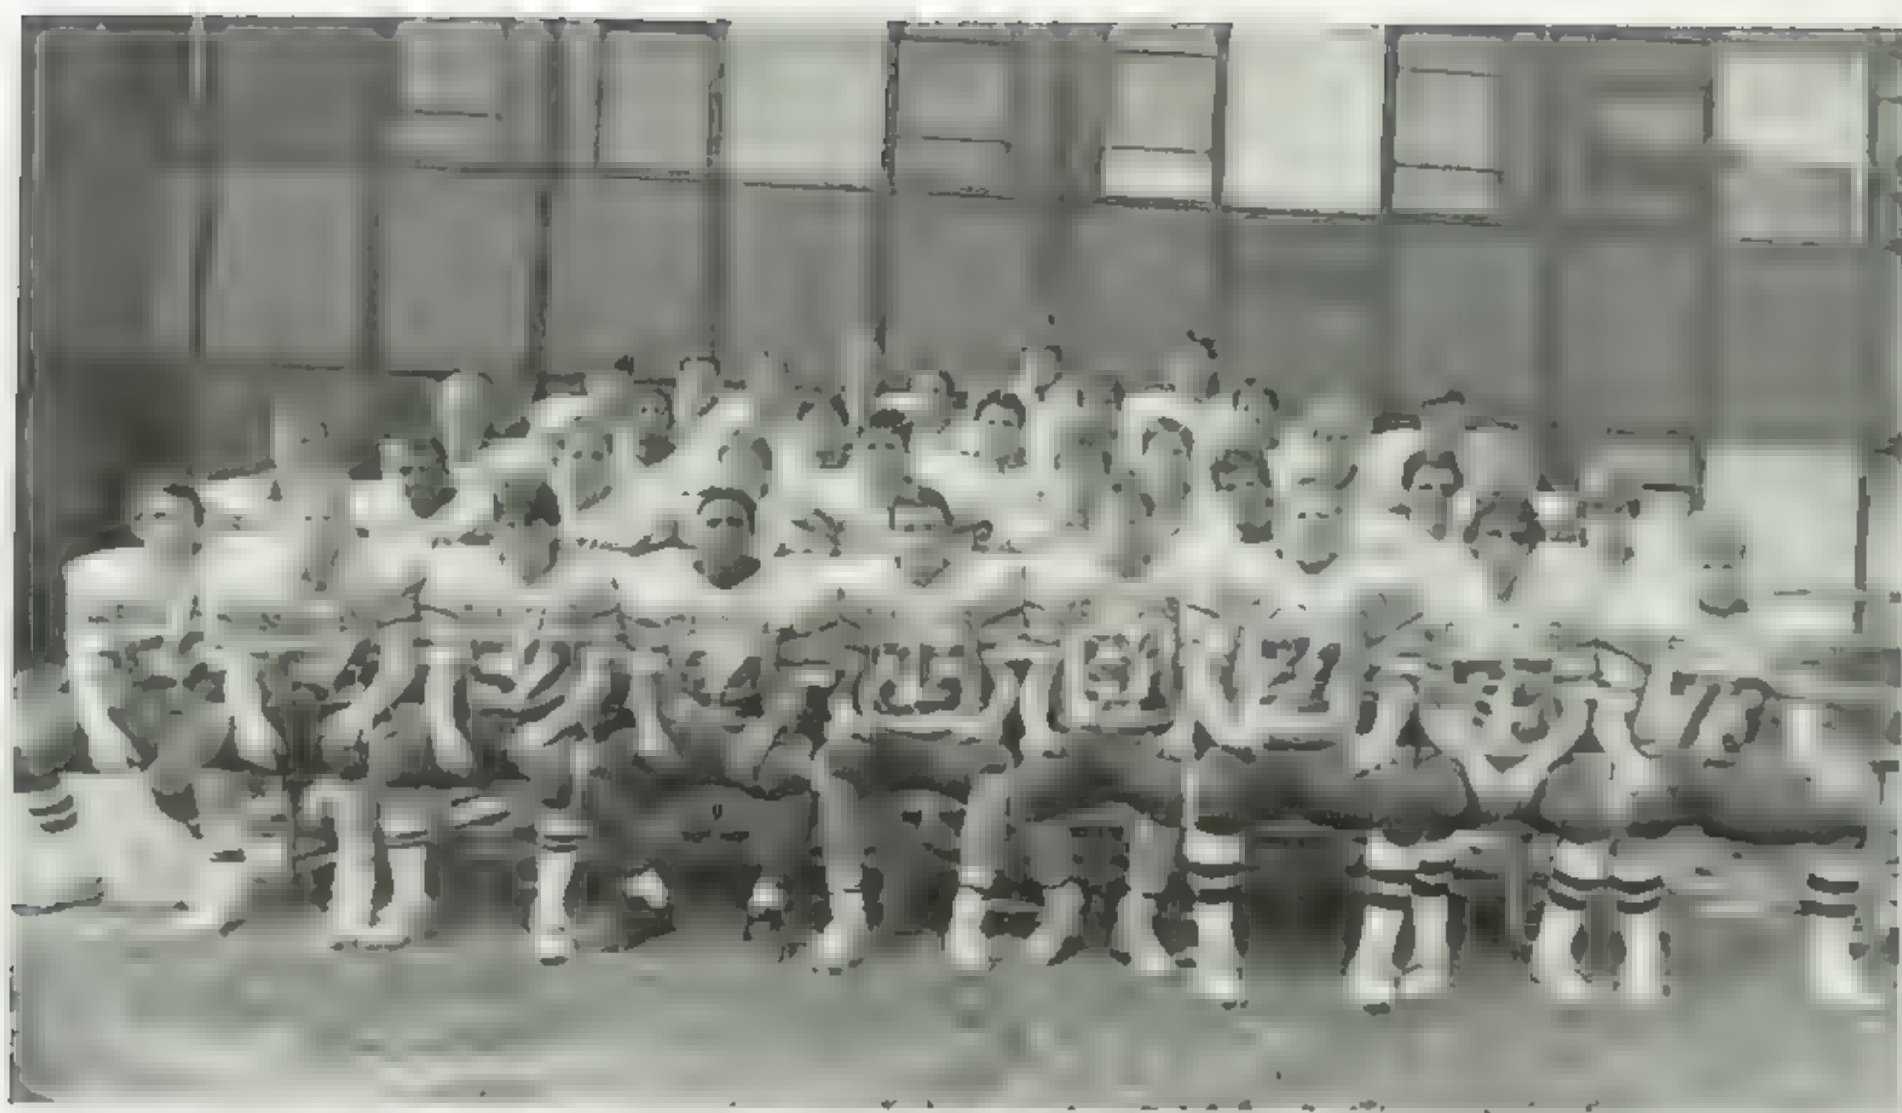

This year Bishop Walsh students showed their spirit through their participation in Sports. Both the girls and the boys were active from the beginning to the end of the school year. As the seasons changed so did the sports but the participation of the Bishop Walsh students never declined. The Fall began with football, cheerleading, soccer, and girl's volleyball. We then saw basketball, which was followed by track, tennis, and baseball. By their participation and attendance, Walsh fans showed how much they enjoy sports.

The success of each sport continued to boost the Spartan spirit. The students showed their spirit by being active or supporting the various teams, from bowling to cross country. The Spartan Spirit always prevails as our tradition for athletic excellence continues.

Wrap-Up

This year's season was a disappointing one for both the Spartan team and fans. We had an overall record of two wins and seven losses.

Considering the rough season, two players, Kevin Coulehan and Dan Trask were named "Player of the Week" by Times/News. Also selected by Times/News for the All-Area Offensive Team were Kevin Coulehan, Kevin Jessie, and Dan Trask.

With many returning players and a large number of the J.V. team we hope to have a better season next year.

Wrap - Up

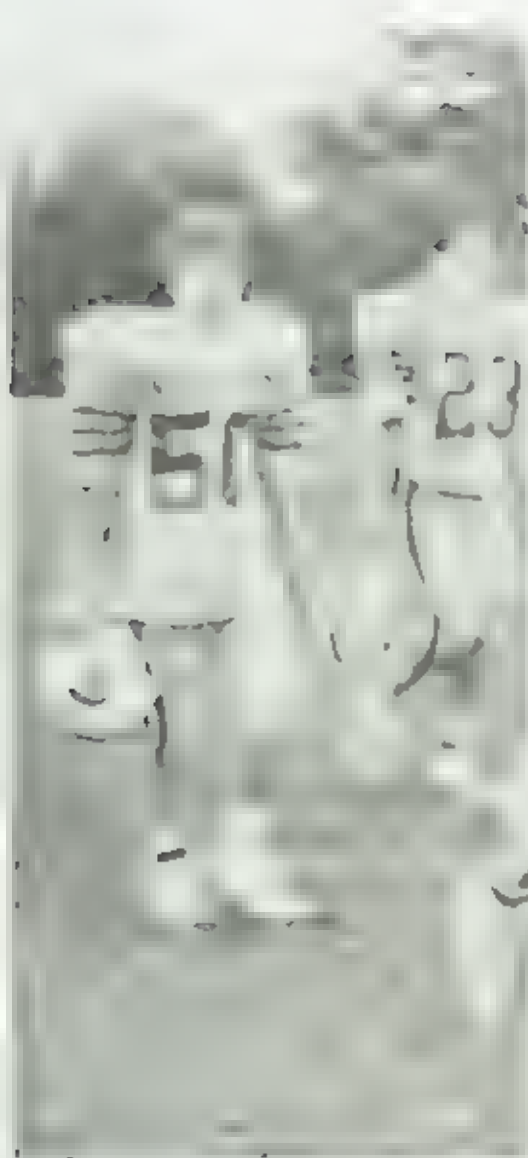

The Bishop Walsh J.V. football team has had a very active year. They started out the year with high hopes of winning and ended their first game in a tie with Frankfort. Throughout the year, they continued to have many challenging rivals, and they had decisive victories over Allegany and Northern with their coach Bill Zapf and his assistant Mike Lippold. Although the J.V. team ended the year with five losses, the players and coaches look forward to the next football season. Some players will advance onto the varsity team, while others will remain on the J.V. squad. All the players will continue to show their Spartan spirit and enthusiasm.

We know we're great.

The girls celebrate after a nicely run win

With the return of all but two runners from last year's 20-10 squad, we expected to have another successful season. Our expectation fell short as we compiled a 4-7 record. Few times all year did we have our whole team at a meet due to illness or injury. Seniors Larry Imes and Bart Kelly suffered ankle and foot injuries in preseason. This put us in the hole early. Even though both recovered by midseason, the two seniors, along with James De Carlo, had to miss some key meets because of soccer games on the same day.

As usual, Scott Yockus was the number one runner on the team and had another outstanding season, as he broke and set numerous records. His outstanding ability has caught the eyes of many colleges in all three divisions. Scott placed seconds behind West Virginia state champ Buck Brooks to capture second in the area meet. He was the individual county and city champ and capped his season off by taking the state Catholic Meet title, and therefore becoming the number one Catholic school runner in Maryland. Assuredly, he will once again be the MVP for the fourth straight year. The team as a whole placed sixth in the state meet with strong finishes by Larry Imes, Bill Kenney, and James De Carlo. We were runner up in the county meet but would have been first had Imes, Kelly, and De Carlo not had a soccer match at the same time.

As for the girls' team, they finished with a 6-3 record. The team was led by Kathleen Collett, Becky Kennell, and Jenny Raible. They also came in 6th at the F.S.C. Invitationals. The Larriers defeated Frankfort and Allegany twice, and defeated Fort Hill and Hampshire once. The girls finished first in the city competition. Next year, the girls will be returning with 8 of 10 runners. Kathleen came in first in 8 of the 9 dual meets. First year coach, John Logsdon, did a wonderful job this year, and with 80% of the team returning, he should do a great job once again next year.

The 1986 Volleyball team finished its season with a 7-7 record. In City action, the girls lost 2 close matches to Fort Hill, but succeeded in defeating Allegany.

The leading scorer was Senior Julie Henkel with 109 points, followed by Junior Becky Kennell with 97 points. Kathleen Collett and Katie Coulehan led the team with their spiking points - 45 and 28 respectively. Seniors Casey McCagh and Kathleen Collett led the team in bumping. The spikers were provided with good sets from Dee Guthrie (79%) and Julie Henkel (78%).

This year was successful, but coach Wilson is looking forward to next year with eight players returning.

Every few seasons the play of certain teams interject sports fanatics to label that team as one of destiny and that it cannot possibly be denied its quest."

Mike Matthews
Times-News Writer

This destiny seemed to be on the side of our seven senior soccer players John Carroll, Trevor Davis, Justin Fagan, Bart Kelly, Ren Lapidario, Larry Imes, and George Vail. Four years ago these seven players started a dynasty that few can only dream about achieving. From that hot August of '83 to the 1986 season they compiled an undefeated 46-0-1 record in BiState play. It came down to the last game against Somerset. Finally Father Time caught up with them as they tasted the agony of defeat, ending a dynasty in which they captured 3 straight undefeated BiState titles and shared this year's BiState title with a 13-1-0 record. In addition they compiled a perfect 16-0 ledger in city play as they won their fourth straight undefeated city championship.

This year's team suffered from a serious lack of depth with only fifteen players, but they still prevailed victorious. As usual the team produced its share of standouts. Offensively Bart Kelly (1st team All-BiState, 1st team All-City) led the league in scoring with 16 goals, 13 assists. He was also named to the All-Tournament team at the Christian Brothers Soccer Tourney. Sophomore Jason Stitche (1st team All-BiState, 1st team All-City) was third in the league with 16 goals, 5 assists, and John Carroll (2nd team All-BiState, 1st team All-City) was fourth in the league with 9 goals, 15 assists. Our defense was first in the league with 9 shutouts in 14 league games. Andy Sharer (1st team All-BiState, 1st team All-City) topped all goalies with only .64 goals allowed per game. Larry Imes (1st team All-BiState, 1st team All-City) played aggressively and dominated the center of the field at the centerhalfback position defensively while Ren Lapidario (1st team All-BiState, 1st team All-City) anchored the number one defense with solid play at the centerfullback position. James Decarlo (1st team All-BiState, hon. mention City) sacrificed his body at the right fullback position as our defense became known as the "no goal patrol." Other noteworthy performances were by Justin Fagan (2nd team All-BiState, Hon. Mention City) at the left wing position on offense and by Clint "Flash" Mahle (2nd team All-BiState) who used superior skills to outwit opponents on both offense and defense. As we close the books on a dynasty and another great season, we look toward next year's booters to carry on the Spartan tradition of winning.

Under the guidance of first year Coach Scott Shreve, this year's booters encountered a somewhat disappointing 7-9-1 season. Some highlights were a tie against Alco, a large favorite, and a win against Beall in which they were down 3-0 before Andy Pesta countered with 4 goals. Andy scored 12 goals this year with 5 assists, and he also saw some Varsity action. Others who contributed this season were Eric Koelker, who had 8 goals and 1 assist, Jaison Gehauf, who had 2 goals and 10 assists, Jake Sawyer, who tallied 6 goals, 2 assists, and Eric Harbel, who also helped in the goal department with 1. Craig Thompson and Tom Dunn, who had the lowest Ph balanced hair on the team, were two juniors who provided leadership and Tom Budris was a BUTTRESS on the back line as center fullback, who could make Varsity next year. Chris Manthey, the co-captain goalkeeper, did an excellent job in his first year as a goalie, and Jarrot Miltenberger played tenacious defense. Don Smith and Penny Crall were two special members of the team. Other contributors: Jimbo Robertson, Steve Owen, Tod Trexler, injury-riddled Tim Machado, & Sophomore, Tom Stasko.

Unlike most other sports, cheerleading lasts year long. Beginning with tryouts in April, the cheerleaders started their busy year. They conducted a cheering clinic in June to earn money to pay for the expenses to go to camp at WVU. Practice for camp lasted for two weeks and in July, the varsity squad traveled to Morgantown, WV, to attend cheering camp. Their hard work paid off as they were awarded with a total of ten superior blue ribbons, the spirit stick every day, and the superior squad trophy for the entire week.

During the last two weeks of August, cheerleading practice was held. The girls polished up on the techniques they learned at camp and prepared for the football season. After football season ended, the girls started practice for basketball. Having practice twice a week, making up new cheers, and perfecting old ones, was all part of the cheerleaders' routine. The most important job of the cheerleaders was to keep the spirit of Bishop Walsh alive. As always, the varsity squad succeeded and that SUPER SPARTAN SPIRIT continued to shine bright all year long.

JUNIOR VARSITY

The Junior Varsity and Freshmen squads got off to a rocky start at the beginning of the 1986 sports season. They began practices in August to prepare for Meet-the-Squad night and the fall season. Each day, they jumped and flipped their way to perfection.

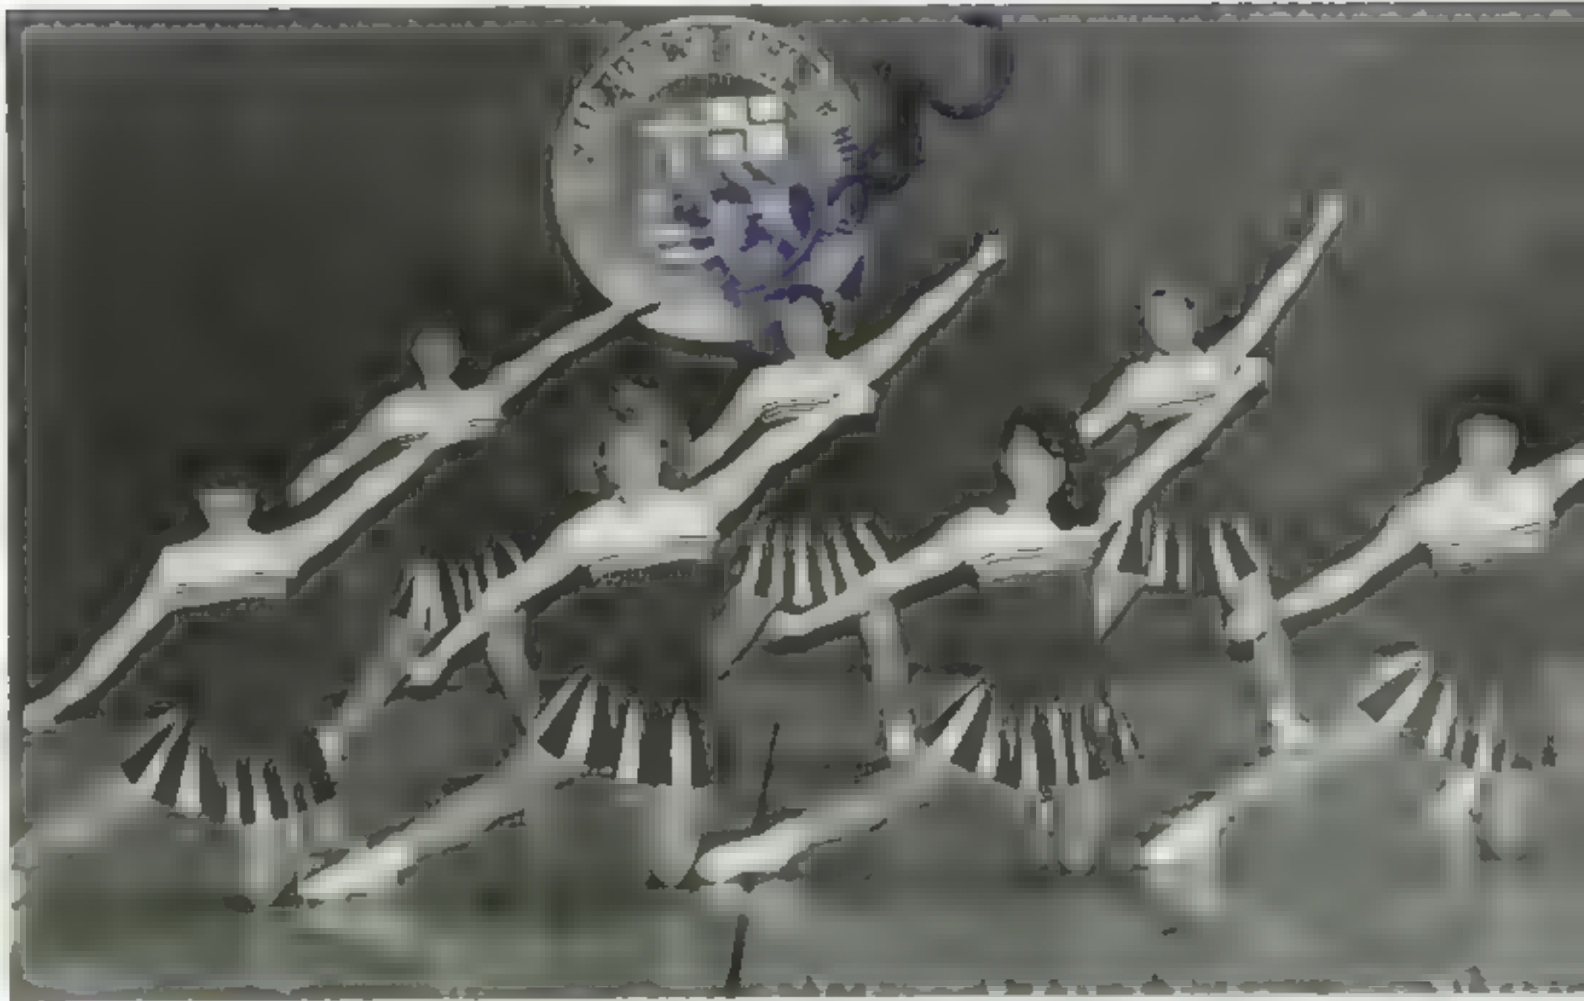

The J.V. and Freshmen squads cheered their football teams through a tough season and triumphed with the soccer teams. They also inspired the basketball teams to a great season. They volunteered their time at Williamsburg Christmas and sold tickets to benefit the Athletic Association.

Through the tough times and the hard work, the Junior Varsity and Freshmen squads pulled through a great year.

Wrap-Up

The 1985 Bishop Walsh Boys' Track Team consisted of a lot of new and future talent. They were led by the experience of the upperclassmen, notably Scott Yockus, and backed by the underclassmen. Hopefully, next year's team will be as talented and spirited as this year's. However, they will have to make up for the loss of several senior members: Danny Trask, Scott Yockus, Bart Kelly, Larry Imes, Greg Gerhard, and Jimmy Riley.

Scott Yockus was undefeated in the 800 and 1600. John McKenzie was the second leading scorer and Andy Sharer was the third leading scorer in the 6ft high jumper.

You wouldn't believe he came in third.

WRAP UP

Our girls' track team, under the direction of Coach John Logsdon, left the impression on everyone that they are one of the best in the area. They ended the season with a 14-12 record. The team came in fourth in the Area meet and second in the City meet. All of the vigorous practices and hard work from everyone certainly paid off.

Among the achievements made this year by the team were: Lisa Burkey was County and City 400 meter champion. Hayley Graham was the City 800 meter champ. The second area leading scorer was Kathleen Collett. Jada Fagan was named Outstanding Freshman.

With the determination and will to give it their all, the girls' track team will continue to succeed. The best of luck is wished for the team for this season and for the seasons to come.

The Bishop Walsh baseball team had a disappointing 5-14 record in 1985. There were several bright spots during the season. One of these was when star pitcher Frank Comachia threw a one-hitter to beat state champion Mt. Savage, 2-1.

Craig Clay was the team's most valuable player as he batted .426 and was outstanding defensively at catcher. Mike Wilson was named most improved player as he batted .300. Sophomore Barry Page proved to be a consistent pitcher, while freshman Jason Stitche played only half the season but batted .393. With most players returning, the Spartans look to improve considerably in 1987.

This past year's jayvee baseball team survived a tough season, winning six games and losing seven. Right off the bat, two players were ruled academically ineligible. The team was 0-3 in city play, losing one game to Alco which was played in Arctic cold. The game versus Fort Hill was one of the most exciting of the year. The Spartans were holding a 5-0 advantage after four frames, but the Sentinels then scored ten runs in the next three innings to hand the Spartans a 10-5 defeat. There are three other games which stand out from the campaign: the game against Beall, at Walsh, when Chris Wilson hit a seventh inning, game-winning single. Chris redeemed James De Carlo, who had made an error which allowed Beall to tie the game in the top of the seventh; the Keyser game at Walsh, when Pat King hurled four perfect innings and led the Spartans to a victory over a team which should have beaten the team; and the game which no one will forget — the second game of a double-header at Bruce — when Eric Koelker realized his dream of becoming a pitcher and even threw a knuckleball. This year's leaders were King, the staff ace, with a 4-1 record, and Jason Stitcher, Mark Yockus, and Craig Monahan, the leading hitters. One player who did not receive the recognition he deserved was Chris Wilson. Chris filled in at catcher and did a superb job, considering it was his first experience as a backstop. He also played third base and surprised everyone with the talent he showed at the hot corner, another first-time position for him. "Willy" could also hold his own with the bat, as he was one of the team's leading hitters. Although Chris, Pat King, Yockus, and Stitcher will most likely be varsity members this season, Monahan, Koelker, and pitcher Brian Cunningham should provide a strong nucleus for the next Spartan powerhouse jayvee baseball team.

The boys' tennis team had another impressive season. The team ended their season with a 9-5 record. Gary Sindy served as head coach for the third in a row, while Brother Kevin Dalmasse served as moderator.

There was a great deal of skill and determination shown by all of the players this year. Among the best were Bart Kelly, who ended the season with a 14-5 record, and was named Most Valuable Player. John Carroll ended the season with a 15-3 record, and was named Most Improved Player. Some other impressive records were those of Brad Nelson 13-5, and George Vail 9-7. The number one doubles team of Bart Kelly and Brad Nelson went undefeated for the second year in a row.

There was also a great effort produced by both the Freshman and Sophomores on the team, which should produce the next generation of winners.

The end of basketball signals the beginning of spring intramurals. The competition begins with volleyball, and that continues until a champion is declared.

The intense competition of intramurals continues with the board games. Some of these contests may last for several weeks. The table games are checkers, chess, backgammon, ping-pong, and Trivial Pursuit.

The end of spring intramurals is marked by the traditional Jeopardy game, and the awards ceremony, where all the champions are recognized.

The 1986/87 Spartans have had a very good season! By the end of Regular season play, they have logged a 24-4 record! As a result of defeating both Allegany and Fort Hill twice, the Spartans are declared both CITY CHAMPIONS AND NUMBER 1 in the TIMES-NEWS Area Basketball Rankings.

The team is led by center Barry Page. He was named in the list of the top scorers in the area, averaging 22 points per game. On several occasions, he has had 30 points or more. Barry and Duane McCormick lead the team in rebounds. Other members of the starting five are Kevin Coulehan, Jason Stitcher, and Kevin Jessie. All of these players are vital to our winning edge. Coming off the bench, Scott Yockus and Danny Trask are indispensable.

Next season, Coach Friend will have a great deal of rebuilding to do. We can only hope that he will have as much luck and talent as he had had this season.

Facing tough opponents and close games, the 1986-87 Junior Varsity Spartan team had an up and down season. Led by co-captains Kevin Kirby and Craig Monahan, the team pulled off some surprising victories, such as the Valley-Bruce, Keyser, and Saint James games, and suffered some disappointing losses, such as the Towson Catholic and Beall games. Coached by Pat Cunningham and assisted by Jeff Fisher, the team stood out in their rebounding and in the second-half comebacks. The spirit and determination of the J.V. Spartans made them bounce back from these losses to win again. Two freshmen, Scott Mahle and Joey Ross proved themselves good enough to start along with sophomores Donny White, Kevin, and Craig. And one could always count on the outside scoring of Eric Koelker, while Craig, Donny, and Eric led the team in scoring. Overall the teamwork of these sophomores and freshmen has paid off for a good season and promising expectations for next year, both Varsity and Junior Varsity.

Although the Freshman Basketball Team had rough times this year, they never lost their enthusiasm or high hopes. The first year is always the hardest, but they're looking forward to next year with eagerness when they'll be on the J.V. team. Bishop Walsh and coach Jeff Fisher are proud of them for doing their best and giving us an exciting season.

The girls' J.V. Basketball team, consisting predominantly of freshmen, had not played together before and needed time to adjust. Led by Katherine Shaffer and Heidi Stitche, the team worked hard together to reach victory. Although they suffered setback in defeat, they took it in stride and let their true Spartan Spirit show. Coach B.J. Poling stood behind her team through victory and defeat. The effort of these girls will be evident when they are the future Bishop Walsh Girls Varsity team.

The Bishop Walsh Lady Spartans were a team possessing a tremendous amount of team spirit and talent. For the first time ever, the Lady Spartans were in the Baltimore Catholic Schools League. They played ten teams from the Baltimore area, and participated in a tournament at the end of the season. Despite the advantages the Baltimore teams may have had, our Spartans played quite well against these teams. The Lady Spartans have a lot to look forward to, as they are losing only two seniors to graduation. Coach Wilson will have a great deal of talent and experience to draw from next year, so Bishop Walsh can expect AWESOME basketball from the Lady Spartans.

A bright new spot in the Bishop Walsh Athletic Program has appeared in the form of our new Wrestling Club. The club has aspirations to become a full fledged team in the future. It is held back from the distinction because they do not have a mat on which to have home matches. Nevertheless these determined outcasts forge ahead in their quest to become great wrestlers. This demanding sport is by far the most grueling and intense physical activity of the entire sports program. The coach, Tommy Diehl, feels he can build a strong program here at Walsh and the enthusiasm is present to do so. These few men have started a new tradition at Walsh.

For the second year in a row, the Bowling Team is a group of achievers to be commended. Over all, we had a good season. We were the most inexperienced team in the area, but that did not stop the girls team. We came out on top with the First Place Trophy. The teams we played against were Beall, Fort Hill, Alleghany and Valley. We put in a lot of time and effort during practice which really paid off in the end. But we could not have done it without the help and support of our great coach Joe Mullenax. He was always there to help us during our matches, and his advice never seemed to fail. Thanks for bringing us out on top.

Bishop Walsh Middle High School is involved in various activities. We start the year with one of the most exciting events, HOMECOMING. Everybody looks forward to Homecoming. This is a time to spend with friends, wearing the traditional mums, cheering on the football team, being entertained by our band in the parade, seeing the students in action in the pep rally, and going to the dance. This year we were involved in another exciting homecoming event-Spirit Week. Each day of the week was given a special theme and the students dressed accordingly.

Bishop Walsh Students participate a great deal in our monthly masses. We elected four Seniors to become Eucharistic Ministers for the 1986-87 school year. The Religious Services Committee prepared and arranged the songs and readings for the masses.

Many times throughout the year the school sponsors several activities to benefit the community. The two-week canned food drive was kicked-off on December 3. This event was sponsored by the National Honor Society. Other activities sponsored by this group include the Mission Drive, and the Special Olympics.

So, as it is seen, the Bishop Walsh Student Body shines through once again with that traditional Spartan Spirit.

SPARTAN SPIRIT

S-P-A-R-T-A-N-S is a cry which can be heard often at Spartan Spirit Events. Meet the Squad kicked off the year by introducing the fall teams and their players. Pep rallies followed, showing much of the students' excitement. The height of the spirit year was the week of homecoming, when all Bishop Walsh students took part in various activities. Spirit Halls were assigned and the classes decorated according to the theme of their choice. The spring sports also captured the spirit of the school. When the year was through, the class with the most spirit points had its year placed on the spirit banner. As one can see, spirit is a very important part of student life at Bishop Walsh.

This holiday season was a fun one for the Middle School students. Each class prepared their own Christmas play. Some funny, some serious but each bringing out the real meaning of Christmas. Also, each class made generous contributions to the missions and the Canned Food Drive during this holiday season. Despite that the DJ didn't show up at the Christmas dance, the middle schoolers were good sports about it. We hope that in the future we will have many Merry Christmases like this years'!

BISHOP WALSH

B. W. Christmas

On the evening of December 19, 1986, Bishop Walsh held its second annual semi-formal Christmas dance. The Christmas Cotillion took place in the school cafeteria which was decorated in the traditional holiday colors of red, green, and gold. As couples entered the main hallway of the school, they were greeted by floating snowflakes and courtyard Christmas lights shining through frosted windows. The tables were wrapped as packages with gold ribbons and bows. Red, green, and white streamers were suspended from the ceiling and mistletoe dangled from any advantageous or strategic position. The dance tunes were provided from 8:00 to 11:00 courtesy of disc jockey, Bob Hidey, and Mrs. Irene Grabenstein kindly catered the affair. Bart Kelly formally introduced the members of the Homecoming Court with their escorts, and the song "One More Night" was dedicated in their honor. December 19 was a night full of good times and good friends which will always be recalled in fond memory.

CHRISTMAS

'Twas the Christmas season, and all through
 the school,
 Activities were stirring though the weather
 was cool.
 The decorations were hung in the hallway
 with care,
 In hopes that vacation soon would be there.
 The students were nestled all snug in their
 seats,
 While visions of dancing tickled their feet.
 Mrs. Franklin in her bonnet and festive wear,
 Tried to make all the craft tables bare,
 When from the stage the band made such a
 sound
 That it gathered many people 'round,
 With a ring of the bell to awaken their doze,
 Up the steps the students rose,
 And out through the doors with lots of
 cheer,
 For a Merry Christmas and a Happy New
 Year

This year's Valentine's Day Dance was held on February 14th (when else?) and was well attended by all four classes. The main attraction was the Sweetheart elections. In honor of the romantic holiday, additional slow songs were played throughout the evening. The students of Bishop Walsh celebrated St. Valentine's Day in style.

DEATH BY CHOCOLATE

Death By Chocolate is a comic murder mystery written by Paul Freed. It was directed by Mr. Joseph Gillis, a graduate of Frostburg State. Included in the cast were several newcomers to the Spartan stage: John Twigg (Ralph Deadwood), Sami Hijab (Alfred Mellox), Donna Izat (Edith Chiles), Kevin Coulehan (Ed Parlor), and Andrew Sharer (Henry Meadowbrook). The Spartan Theater tried something new. During intermission each night, a box of chocolates was raffled off.

The action begins with Henry Meadowbrook's "suicide." Henry's health resort is sold to Lady Riverdale, a chocolate entrepreneur. The action really starts when Edith Chiles, the resort chef, is poisoned; her dying words: "Don't eat choc." It is left to John Stone, the new resort manager, and Ed Parlor, a playwright, to solve the murder. After Ralph Deadwood (the blackmailing gym manager) dies, the two amateur sleuths figure out that both Ralph and Edith had been poisoned by chocolate. The suspects are Alfred Mellox, a maintenance man formerly in the employ of Meadowbrook, Dyslexia, secretary to Lady Riverdale, Ann, the staff nurse, Dick Simmering, a flamboyant aerobics instructor and Sweet Pea Meadowbrook, daughter of Henry. Margaret Daniels completes the cast of characters as a reporter from *Elite* magazine, but is actually Detective Judith Marks.

The set crew should really be given a round of applause. They had just about four weeks to put together a set. They discovered the joys of working with styrofoam, and that one can practically build a set with styrofoam. After the bottom fell out of the couch, the crew and Brother Ross had to do some quick thinking. Fortunately, Wolf Furniture was more than helpful. It is hard to mention all the problems and all the solutions and all the people who helped make the production a success. It is sufficient to say that everything molded together to make *Death By Chocolate* a sweet success.

On January 22, 1987, Ray Hughes passed away. We will always remember Ray as being high-spirited and energetic, yet he also had a serious side. He sometimes seemed lost in deep thought. But above all, we will always remember Ray's smile, which often came at the most unexpected times, and which always made us feel at ease. Although we will miss Ray, we know that he has found peace in God's eternal kingdom.

Bishop Walsh students are very involved in Social Awareness activities. Many times during the school year, the school holds events that will raise money for charities. In most cases, the students do a good job. Some of these events are pictured. Before Christmas, the National Honor Society held the Canned Food Drive. The seniors finished in first place. Masses are held monthly, and everyone is given the chance to participate. The members of the Religious Services Committee participate in each mass. A different local priest is invited. Several students participate in the choir or play instruments to enhance the service, which is usually organized and accompanied on piano by Bro. James Mufley.

The love and concern of the students of Bishop Walsh was shown again at the 1986 Special Olympics. Many went to cheer our special friends to victory and show caring and support to all the Olympians. The positive attitude from the Walsh students reflected in the faces of the participants.

The events, such as the broad jump, softball throw, and swimming, were popular. And each person, handicapped or not, was given a special feeling of accomplishment and pride. And each person left feeling like a champion.

The Spring Formal of 1986 was a precedent-setting event. It was the first Bishop Walsh dance of its kind to be held off-campus. The Holiday

Inn of Cumberland was more than happy to host this first-ever event, and Windfall provided the beat. The Appalachian Room was decorated with burgundy and gold balloons and streamers. The theme, "Back In Time," was well carried out by posters depicting Life magazine covers of the 20's and 80's. There were even memories from the wild 60's. Prom favors included keychains which represented a ticket to travel "Back In Time." Windfall added to the atmosphere by playing the hit songs of years gone by. Other entertainment was provided by Bro. Joseph Dougherty's attempt at "getting down!" All in all, it was a fun-filled evening for couples of all four classes.

JUNIORS

The class of '88 finally returned as Juniors. They made it through their Freshman and Sophomore years, only to face their most difficult year of high school. This year, the Juniors faced the PSAT's, term papers, college decisions, and a lot of tough work. As defending spirit champions, the Juniors clearly displayed their spirit in everything they did. As each year draws to a close, the class of 1988 becomes more closely knit by their friendship and strong school spirit. Through all their ups and downs, the Junior class grew and matured, readying themselves to face the challenges of their final year at Bishop Walsh High School. There is no doubt, given their talents and enthusiasm, that the best is yet to come.

Once upon a time last year, a group of unknowns was wandering through the school for the first time. We Freshmen came across new faces and places, expecting the worst, but finding the best. Soon all the shyness disappeared letting us rediscover old friendships and make new acquaintances. We sure had some interesting experiences! For the school, we learned to love green and Gumby as we cheered on the Spartan teams through our first pep rallies and spirit halls. On the down side, we were forced to talk Mesopotamia in 90° heat and algebra in 40°. Our brains became muddled with so many new things but we stuck it out knowing that next year we'd be *Sophomores!*

Yes, we survived intimidation, the Freshman "why are we here?" blahs, the bus rides, and intro to everything classes. We had a blast at dances, games, and Freshman night and shared the school spirit by becoming involved in clubs and athletics. And guess what now? We can go on to be Sophomores and always remember the great times we had our first year of high school at Bishop Walsh.

Being in the Middle School was an interesting and unique experience. These were some of the many things we found ourselves wondering about throughout the year:

"Where's the elevator?"

"Detention again?!!"

"When does class end?"

"How do we sneak around Mr. Metz to get to the concession stand?!!"

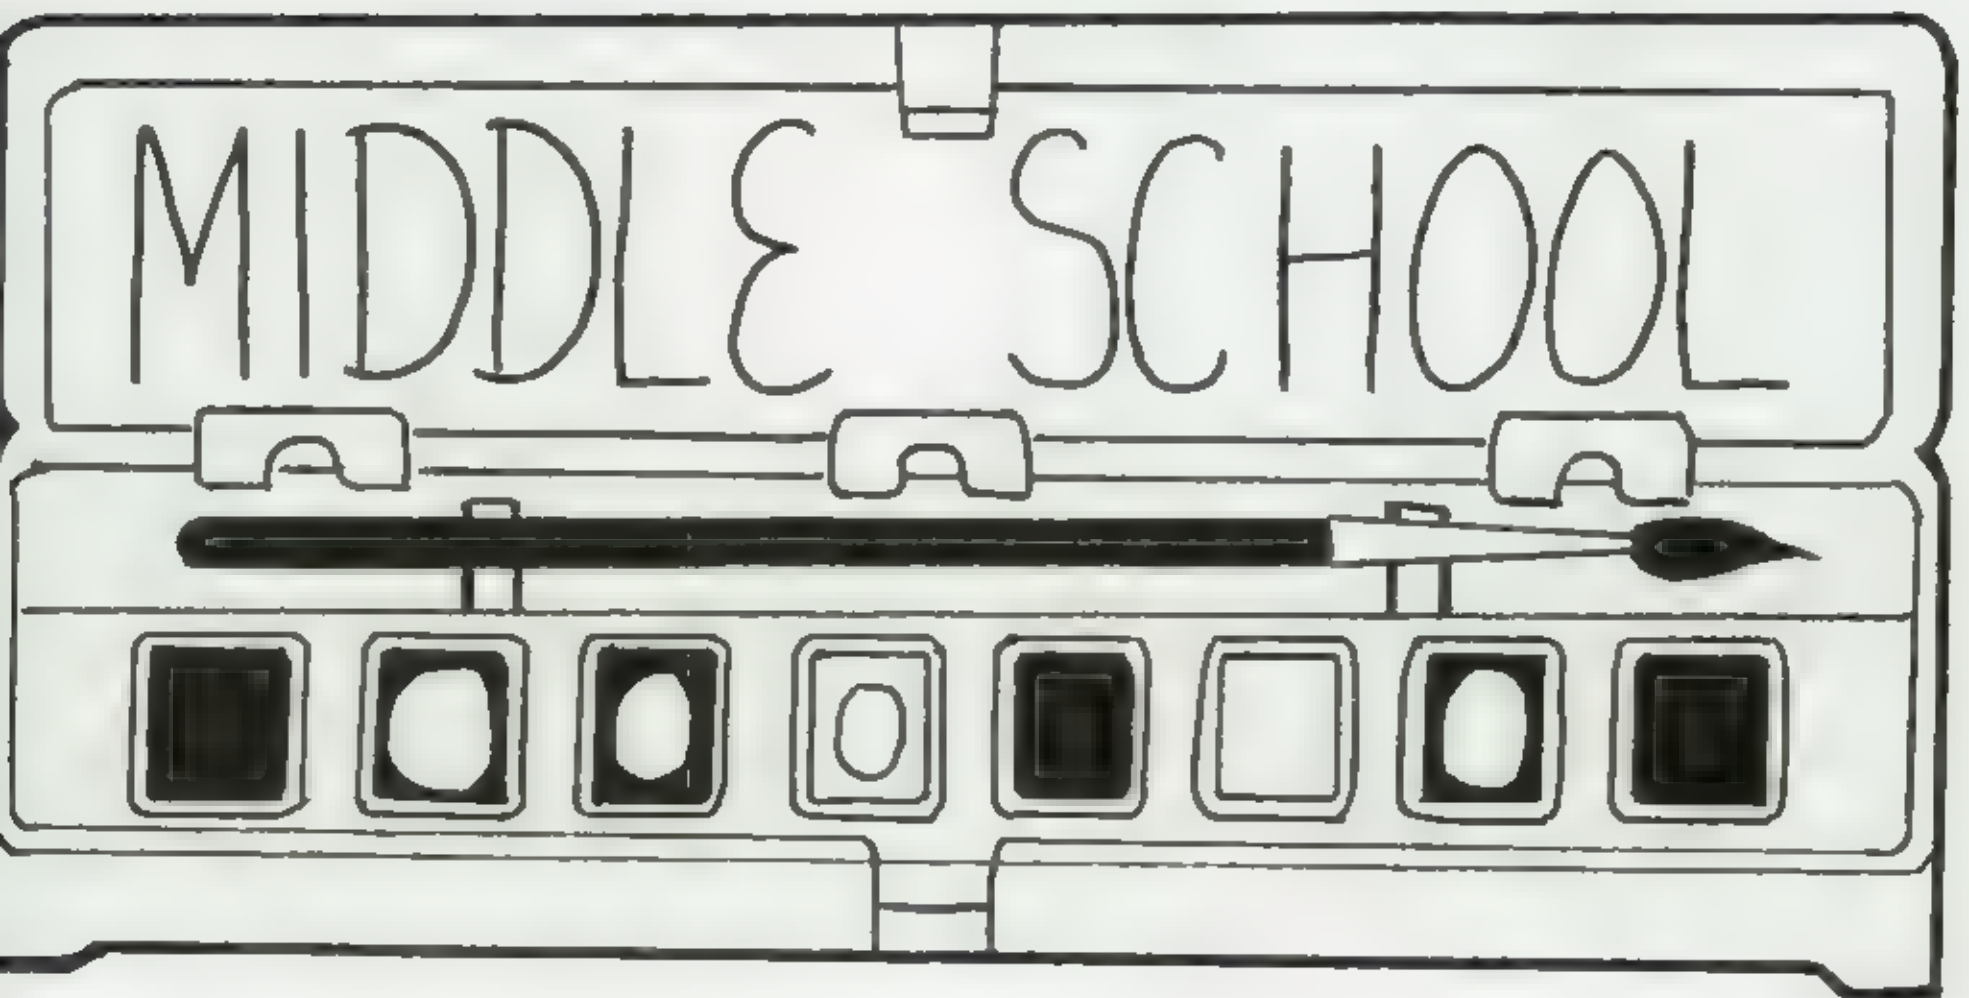

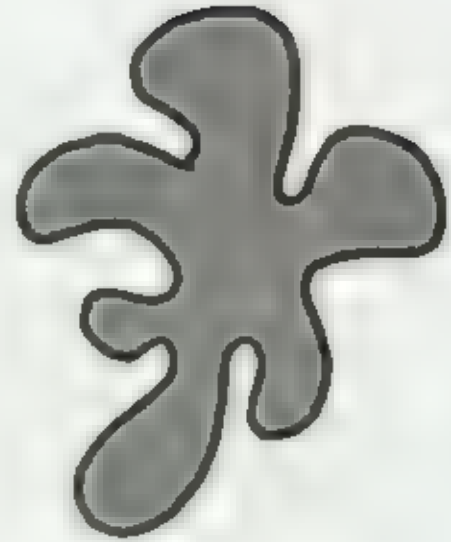

"I m never going to get all of this homework done!"

"I wanna go home!"

During the year we finally got used to the homework and the teachers, although we never really got the hang of getting through the high school crowds. They never seemed to look where they were going and we just happened to get run over by the tallest person we had ever seen!

As we remember back to the beginning of the year, we think of how hard it was to make new friends. Yet somehow we survived. We remember how horrified we were at the thought of dropping our plates in the cafeteria or our books in the middle of the hallway. Even though we got over the hard times, we will still be affectionately known as the munchkins of third floor. We hope that the future middle schoolers will carry on the tradition.

MIDDLE SCHOOL AT ITS BEST

The sixth grade cheering section.

That "SPARTAN SPIRIT" shows thru!

This is the second year of having the Middle School merged together with the High School. It seems to be going rather well. The Middle Schoolers seem to be adjusting to their new school, even though they often have to put up with the High School Kids. These pages pretty much describe the fun that they have.

We hope that we have welcomed the new sixth graders fairly. We are really glad to have them, and we hope that they don't feel too little compared to everyone else! The Middle School seems to be doing very well and we accept and appreciate them as a part of Bishop Walsh.

HELLO MELANIE!

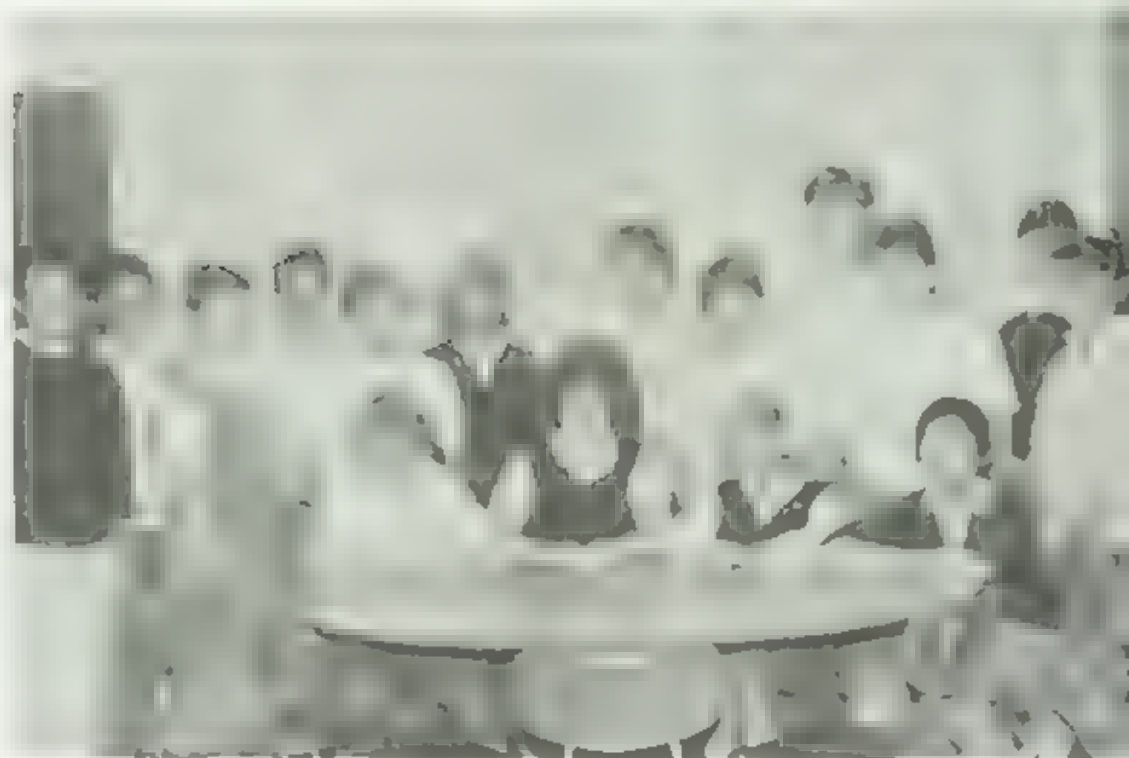

Having Fun in Cross-Country?

Middle School Cross-Country.

The Middle School has many activities and clubs to meet each students' individual interests. The activities range from sporting events to student council. These activities give the Middle School a certain sense of togetherness and help to present a more unified class. Participating in the many diverse school events makes each student feel like he really belongs. The activity offerings at Walsh also help bring all the Middle Schoolers one step closer to becoming mature young adults.

EXECUTIVE SCHOOL BOARD

Standing, left to right: Dr. Don Alexander, Bro. James Kirkpatrick, Mrs. Beverly Norris, Dr. Joseph Nelson, Msgr. David Dorsch, Judge J.F. Sharer, Mr. Daniel McMullen, Bro. Joseph Mahon, Mr. Nicholas Scarpelli, Mr. Paul Boch, Mr. William Briner. Seated, left to right: Mrs. Leslie Witte, Mr. Richard Shanholtzer, Sr. Marie Yetter, Dr. Judi Thelan, Fr. Emil Fischer, Mrs. Ursula Franklin, Bart Kelly, Fr. Richard Lawrence, Sr. Consuelo Price, Fr. James McGovern.

HOME SCHOOL ASSOCIATION

1st row: Mrs. F. Murray, Mrs. G. Firlie. 2nd row: Dr. T. Palardy, Mrs. U. Franklin, Mrs. L. Yockus, Bro. James Kirkpatrick.

The Bishop Walsh Middle High School would be incomplete without the bridge the Home/School Association and the Executive School Board provide between parents of Bishop Walsh students and the school itself. The Executive School Board is comprised of parents, teachers, educational leaders, professors, businessmen, and clergy members. The School Board supervises the financial status and needs of Bishop Walsh. The Home/School Association supports educational programs dealing with today's important teenage issues. The yearbook staff would like to take this opportunity to acknowledge the important work these associations do and to thank them for giving their time to help our school.

ASSOCIATIONS

ATHLETIC ASSOCIATION

1st row: Mrs. Ruppencamp (Secretary), Mr. C. Blake, Mr. H. Stitche, Mrs. L. Stitche, Mrs. P. Meeks 2nd row: Mr. J. Thomas, Mr. F. Greise, Mr. W. Blake (President), Mr. W. Turnbull, Mr. J. Ruppencamp, Mrs. R. Riley, Mr. D. Smith
Missing from picture: Mr. R. Murray (Vice-President), Mr. R. Schoch (Treasurer).

BAND PARENTS ASSOCIATION

Seated: Mrs. C. Lowman (Secretary), Mrs. S. Rush (Band-Parent Coordinator), Mrs. P. Malloy (Assistant-Treasurer) Standing: Mr. J. Raible (President), Mr. R. Rush (Band Director/Moderator), Mrs. J. Dressman (Parent-Representative)
Missing from picture: Mr. G. Riggelman (Vice-President), Mrs. C. Lease (Treasurer)

Mr. and Mrs. Rush instruct the marching band students and work with the parents in their efforts to support the band. The Band Boosters Association sponsor the annual Cheese and Sausage Sale, this along with other various fund-raising activities provide necessary funds for instruments, and transportation for the band. The Band Boosters serve as chaperones and assistants on the trips the band makes. Parents support is very important for a successful marching band program.

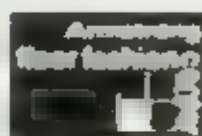

The Athletic Association sponsored the Williamsburg Christmas in November and the Spaghetti Dinner held in January. Members of the Athletic Association operate the concession stand at sporting events throughout the year. The money raised helps pay for the sports-equipment, uniforms, and travel expenses for our Athletic teams. Along with the Bingo Association, the Athletic Association paid for the painting of the cafeteria walls and the new ceiling panels. The Athletic Association Parents actually provided the long hours of hard labor for the project. Special thanks goes to all three associations!

Prayer Of St. Francis Of Assisi

Lord, make me an instrument of Thy peace; where there is hatred, let me sow love; where there is injury, pardon; where there is doubt, faith; where there is despair, hope; where there is darkness, light; and where there is sadness, joy.

O Divine Master, grant that I may not so much seek to be consoled as to console; to be understood as to understand; to be loved, as to love; for it is in giving that we receive, it is in pardoning that we are pardoned, and it is in dying that we are born to eternal life.

my future college! I just read

FROSTBURG STATE COLLEGE

A Sense of Community

Frostburg State College has the personal, friendly feeling of a close knit community, and yet it competes academically, athletically and culturally with much larger, more expensive institutions.

Frostburg is foremost a community of students learning, growing, creating, discovering and having fun together. The 3,700 students at FSC represent every county in Maryland plus other states and foreign countries.

The small size of the student community encourages a closeness and friendliness that is not found at larger schools or commuting institutions. You will be appreciated as an individual, and your opinion will make a difference.

Beginning with the close personal attention possible in small classes and extending beyond the classroom into social interaction and shared activities, the faculty at FSC will guide you and challenge you to grow. Although widely recognized for their scholarship and artistic achievements, Frostburg's faculty is committed to teaching. Your classes will be taught by talented and dedicated educators—over two-thirds having Ph.D. degrees.

Education at Frostburg has as its basis a commitment to liberal learning—insisting on a reasonable breadth of study in the main areas of human inquiry and depth of study in at least one academic discipline. The academic program offers students the opportunity to expand themselves in time, space, values, and habit of mind not only for today but for tomorrow as well.

Visitors are welcome anytime. Campus tours may be arranged by calling the Office of Admissions at least one week prior to the anticipated visit.

OVER THE YEARS . . .

Brother Stephen P. Paul, F.S.C. has served the Bishop Walsh community since September of 1966. He has shown a great deal of interest in teaching Math and German to many classes of students. Brother Stephen has been a major figure behind Bishop Walsh's Fund Raising Projects. Recently there has been a Scholarship Fund established in his name. This year, Brother Stephen has celebrated his Jubilee of 60 years of Religious Life and Service with the Brothers of the Christian Schools.

Since 1966 Mrs. Irene Grabenstein has served the Bishop Walsh High School community. Mrs. Grabenstein has been a tireless worker for Bishop Walsh in a variety of jobs. She has been Administrative Assistant to four principals at B.W. and also served on the administrative Staff at the Old La Salle Boys High School. Mrs. Grabenstein has also been the Moderator of the Office Aides program over the years and has been actively involved in Alumni Relations, school Development and in organizing the Annual Alhambra Tournament.

This page is dedicated to Brother Stephen, Sister Leonardine, Sister Consuelo, Mrs. Grabenstein, Mrs. Ehresman, and Brother Paul for their years of dedicated service and loyalty to the Bishop Walsh Community as we embark upon our third decade. We would like to thank them for everything they have done for us over these past years.

MONICA NILAND

Since 1969 Mrs. Lina Ehresman has served the Bishop Walsh community. She has been head of the Business Program and has also served several years as a Guidance Counselor. She is known to many alumni as Mrs. Kirby.

Sister Mary Leonardine Hoover S.S.N.D. has served the Bishop Walsh community since 1966. Over the years, Sister Leonardine has encouraged an interest in Art to many Bishop Walsh students and faculty. She also served many years as Guidance Counselor to Bishop Walsh students. In 1980 Sister Leonardine celebrated her Golden Jubilee of 50 years of Religious Service for the School Sisters of Notre Dame.

Sister M. Consuelo Price, O.S.U. joined the Bishop Walsh community in 1969. For over 17 years she has provided supervision over the Library, Media Center, and Alumni Records. Sister Consuelo is a native of Cumberland and has been active in the Bicentennial Commission this year.

Since 1966 Brother Herman Paul F.S.C. has served the Bishop Walsh community. Over the years he has taught a variety of science courses, most recently the senior PSSC Physics course. He has also been a valuable member of our Maintenance Staff for many years. Many older alumni will fondly recall Brother Paul as their Caving Club moderator.

house. I guess because
you've always been
a friend to me! Thank
you for always being here

Don't tell me to complain about this
is a car, just tell me to shut up, ok!
But don't forget the Friday afternoon
ACIT's when we were complaining!

Don't forget the time we were at McDonalds
with Chris & Loren. What does Loren do? Eat only
the meat of her hamburger! When she picks spit-
balls off the wall. Oh well, she's a nut! But I'm
going to have to watch out for you next time
you decide to go to a party - oh,
don't worry, they're the best ones so have a blast!
Well, I guess next year I can blow my face up
on this page w/ Kathleen McKinney. No, she'd take
up the whole page! But then again, my fat body
would take up almost as much room. Oh well!
Thanks for letting me use your teal green
eyeliner! You're such a sweetie! and don't

Charlie - When you read this letter it will be sunny (?) May but as we're writing now it is snowy February and we're in the
middle of this masterpiece we call our senior year. We have struggled to meet every deadline, and it looks like
we're about to come out on top. We'd like to think that the 1987 WARRIOR has brought back several remem-
brances that you have painted for yourselves in the past year. We have had lots of fun and laughs creating this
book and finally, exhausted but still smiling, we're putting on the finishing touches.

There are so many people we have to thank for helping us complete this work of art. First and foremost
thanks to Brother Richard Buccina, our great moderator who managed to remain patient even in the face of
ridiculous odds. Thanks also to Ruhl's Studio and Mr. Paul Boch with the B.W. Bingo Committee. We cannot forget
Mrs. Joyce Porter, who handled our business affairs, and Jill Thomas, this year's diligent Business Manager. Much
appreciation goes to Mrs. Grabenstein and Mr. Herman Grabenstein for his great photos. We thank Bro. James
Kirkpatrick for his continued support and Bro. Ross Leasure for tolerating many yearbook staff invasions. We
greatly appreciate all of the efforts of Mr. Tad Alonso, our Jostens representative who went to great lengths to
insure an earlier delivery of this year's book. Last but not least, we'd like to thank our very talented and modest
Art Editor, Donna Izal.

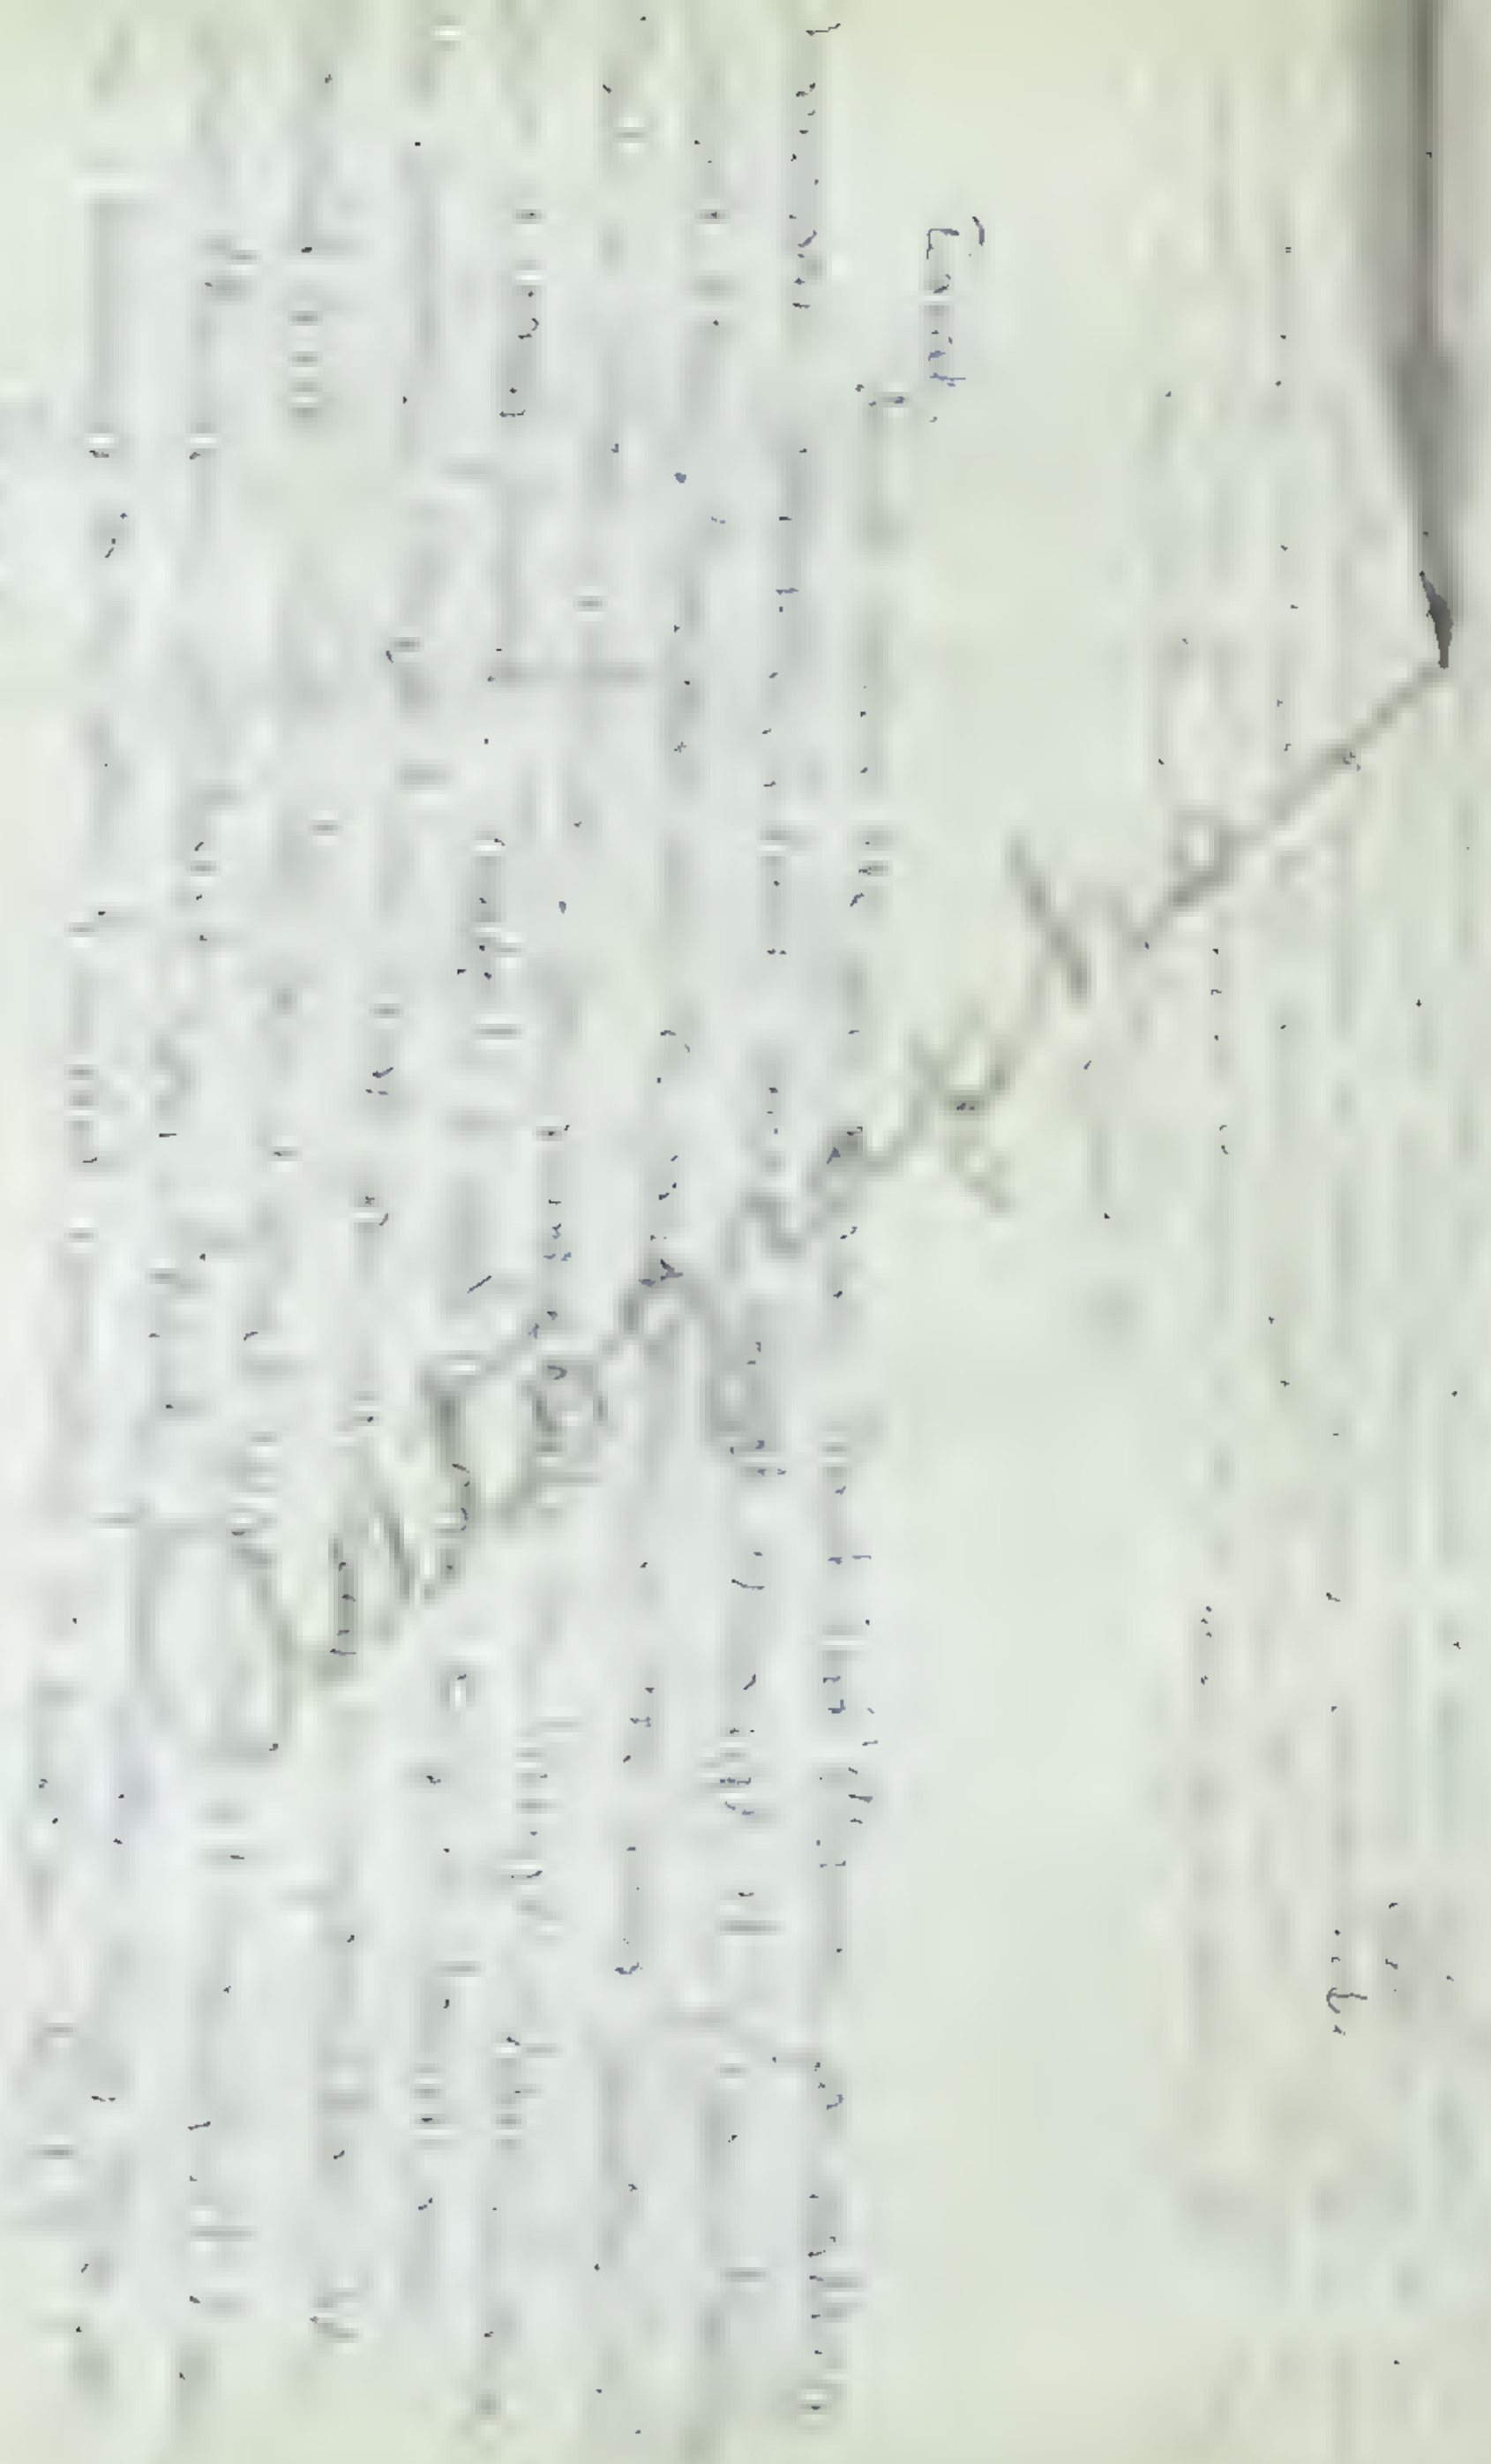

Whoops! We forgot about some very important people. We each have several special friends who will go
unmentioned here but they know who they are. Our heartfelt gratitude goes to them for putting up with our
mistaken sighs of "No I can't have a yearbook meeting." Thanks guys. We hope everyone had a great year. We
know we did. And, by the way, thanks for bothering to read this.

more in pictures!
look at my pictures!
just kidding!
you're

our sister!

The first thing I noticed when I stepped
 out of the car was the cold. It was a
 sharp, biting cold that seemed to
 penetrate my coat. I shivered as I
 walked towards the entrance of the
 building. The air was thick with
 the scent of old wood and the
 faint smell of coffee. I had heard
 that the place was haunted, but I
 didn't believe it until now. The
 lights were dim, and the silence was
 oppressive. I felt like I was being
 watched. I turned around, but
 there was nothing there. I took a
 deep breath and walked on. The
 floor was made of polished stone,
 and the walls were covered in
 tapestries. The atmosphere was
 strange, almost otherworldly. I
 had never felt like this before. I
 was alone, and yet I felt like I
 was part of something big. I
 didn't know what it was, but I
 knew I was in for a long night.

Carah (How's Donnie doing?)

I glad that we became such good friends. Even though you are a freshman I still like you + I wouldn't mind going out with you some time. Hope to see you over the summer. Maybe we'll get together and have a "wild" time. Never forgot me cause I'M ALWAYS HERE FOR YOU.

Love,
Donnie

Donna,
to a good friend
hope you have a
nice summer
Kevin.

Dear Carah,

I'm glad we got to become friends this year!! I remember your problems with Brad at the ACTS! I wish we could have found plaid pants at that dance! There was Lawrence - what a joke! I hope you enjoyed borrowing my pughy! I loved your queen pants. I'll have to borrow them next winter! Maybe we can get together sometime! We'd have a blast!
LOVE, Beth call me sometime 724-1858

P.S. Remember the note about Eric!! I hope I did
don't miss it - I did
share!!
Good Luck!

Donna,
I hope you
enjoyed your
queen pants
I'll have to
borrow them
next winter!
Maybe we
can get to-
gether some-
time! We'd
have a blast!

Darah,
 To a very sweet girl who made him not to be so air headed. Remember all the good times in school and on the bus.
 Travis

Sorry to take up more space!
 Also: Thanks for putting up with me bitching & complaining about stupid things! I hope you will always be a best friend. I hope we remain this close until we'll Big Bad Seniors & in college too!
 Remember your buddies Hammel & Tamarai!
 I hope next year people don't think we're leeches at parties! Maybe at least next year I'll find someone to go out with! Well I had to add that! Let's Have the Best Summer ever!
 Love, Cathryn

well, I've made it through the freshmen year & probably couldn't have done it without you in my classes. I am about the hundredth person to sign this book! What a privilege. Ha! Ha! Well, you've been a real great friend this year and I can't wait till next year. Have a great summer and hopefully I'll get to see you. Keep in touch! 724/132
 Love,

Darah,
 To a very sweet & very HOT Babe. Good luck in future with all your Romney cool guys
 Love,
 Matt

Darah,
 I've really liked this year, and even though we had that small fight for a while, I really have enjoyed your friendship. Early this year I thought we had something really special, and I'm glad we've gotten a little of it back. It's like to apologize for a lot of the things that I've done to you over the year, and I hope that you'll realize that even though I do a lot of stupid things, I really do value our closeness. Maybe I'll see you & the rock or a party this summer. Hopefully. Thanks for not telling anyone about our secrets. I've shared with you, especially the rock & the guys. I hope you'll be happy & have a great summer. Love, Cathryn

I know we've only known each other for two years but I think we've become very close. Thanks for always being there for me to talk to and all of the advice you gave me. Remember some of the many great times we've had: Middle School; (ha) dances; Mall & movies; New Year's; John Turrig's ^{being left places & cussed out}; Midland; Augusta; Art & Gym class; ^{by parents}; Christmas Dance; Raggin'; Playing in the snow at my house; Poptarts; A.C.I.T. (I'm sorry if I acted like a bitch anytime); Stuff-n-nonsense; Our little emotional outbreak (ha); the fun at basketball & football games; watching Brandi; our 1st Clarysville Snn Dance; (when we almost got beat up); Our dates for the X-mas Dance (haha); when you bumped in Church; the long bus rides to school; listening about the DOKI; my sweet puppy Sam!; haha tacky clothes worn by Scott and others; Katherine & her men; Lean on Me; our little dance - dirty magazines up in your bedroom; Elmo's; Midland Store; Life as a freshman; night; immature; I could go on forever! We've had so many great times together. I'm glad I came last year because we became friends last year & this year we've shared so much! I wish you all the luck with Eric & I hope things turn out the way you want them to! Don't let him shit on you! OK! You, Katherine & Barb are the closest friends that I've ever had & I love you guys alot! (haha) I couldn't imagine if we all weren't friends! If you need a place to stay over the summer, you can surely stay with me in the Metropolis area of Midland! We'll have to party alot! I promise not to tease! Well I & ya alot! Love, Cathy
